Tears may linger for a night,
But joy comes with the dawn.
(Psalm 30:6)

Each of us has that for which we've shed tears, whether literally or figuratively, in the past year. They may be tears born of disappointment and indignation, upheaval and violence, or loss and isolation. We've borne the weight of hardship and suffering — our own, our loved ones' and our fellow human beings'.

And, at the same time, the Psalmist invites us to adopt a perspective of hope. For the Psalmist, God's anger which brings a person to tears passes in an instant, like the passing of the night. Anguish and pain are momentary. Joy awaits us like the dawning of a new day.

The High Holy Days are not an instant, but ten days of immersive prayer, a time of introspection, reflection, and renewal. In our celebration of the dawn of the new year, 5783, let us close the door on the year that has been. Let us note the tears and also recall the joys and triumphs for which we are grateful. And, let us open ourselves to the potential of a future that has yet to be written.

Join us, in tears and in joy, as we seal the book on the year that has been and plant the seeds for the year that will be.

L'shanah tovah – wishing you a good and healthy new year,

—Rabbi Michael & Cantor Sarah

As we turn our thoughts to the Fall and another High Holy Days celebration, it is hard to believe that a year has passed. Somehow, the pandemic has altered our relationship to time. The experts say that the introduction of all of these new stressors and new experiences into our lives has fundamentally impacted us. Additionally, we have changed many of the practices of our usual memory milestones — of our pre-pandemic routines. These interruptions in how we used to behave, coupled with temporal uncertainty — not knowing how long these changes will last — have thrown us all into a new time continuum. For me, the days go by slower but the weeks and months seem to fly. Has it actually been more than a year since I have seen my only child? Is it Shabbat again - already? How long will I continue to live in this altered state? When will I be comfortable eating in a restaurant again? How soon will all of you feel safe coming to pray in the sanctuary? There are so many new questions that we are all asking ourselves. And somehow, in the face of all this uncertainty, life goes on and we adapt. It is so easy to forget where we have been and how far we have come. A year ago, most of our "togetherness" was on Zoom. When we did get together, most of us socially distanced and all of us wore masks. Today, many of us are back together in-person praying every week or even every day, some masked, some not, and our attendance is actually at or beyond our pre-pandemic levels. We have upgraded our shulcast cameras and our in-person microphones and are providing an improved experience for everyone. We have shared our joy at weddings and baby namings, we have been moved at numerous bar and bat mitzvahs, and together we have said goodbye to beloved congregants. Most recently, we linger over Shabbat lunches under our new tent and have even hosted large community events. As we had hoped, we have not just survived, we have thrived. We have grown in size and in our commitment to one another. We are poised to not just sing together at the sea, but to dream together, and to truly create a life that sings — a life that honors our past and ensures our future for our families, our friends and our community. To the beginning of a wonderful new year, together. Shanah Tovah!

—Ruth Estrich, Board President

Yizkor Service

Yizkor [May God remember] is a time set aside to formally include in our thoughts and prayers family and friends who have passed away. Though Yizkor is recited on each of the festivals, on the High Holy Days we may feel a special connection to those who have played a significant role in our life's journey. The themes and somber ambience of the Yom Kippur service make this day especially appropriate for contemplating life and death. Thus, in reciting Yizkor, the veil between the worlds of the living and the dead becomes more transparent, less opaque. May the memory of those we recall be a blessing in our lives. – Mahzor Lev Shalem

The Yizkor service on Yom Kippur is intended to honor and remember parents, relatives, friends and martyrs of our people. Because this service is so inclusive in scope, everyone is encouraged to participate. In addition, we will have a collective remembrance of the martyrs in Jewish history, including individuals who perished in the Holocaust.

We mourn the loss of the following members who have been called to their eternal rest during the past year:

Caring for Generations

JF&CS

Jewish Family & Children's Service

Deepen the meaning of your Yom Kippur fast and help those in our community who may involuntarily fast, particularly those impacted by the COVID pandemic. Jewish Family and Children's Service and Family Table asks for your support so they can provide food during the High Holy Day season and year-round to hungry families on the North Shore.

Congregation Shirat Hayam is again collecting food items for donation. On Kol Nidre, following Yom Kippur, and throughout the year, please consider donating the following items. Remember all food must be healthy, kosher (with a kosher marking), unopened and not expired.

- Whole wheat/grain crackers
- Peanut butter
- Vegetarian soup (low salt and kosher)
- Raisins
- Canned fruit (low sugar and in fruit juice)
- Canned salmon
- Canned vegetables
- Pasta products
- Canned tuna
- Healthy cereals

Monetary gift donations as well as gift cards to Stop and Shop or other markets in this area are always appreciated. For other ways to donate, go to JF&CS Family Table website, https://www.jfcsboston.org/. You can also visit the Family Table Amazon Wish List in the blue box. From there you can go to Amazon.Com where you can donate food and have it sent directly to JF&CS. For further information call, 781-693-1231 or go to the website. Your donations are tax deductible to the extent of the law.

JF&CS is desperately in need of volunteers for the Family Table monthly distribution which locally is at Temple Sinai. This is a wonderful activity for the family. Please go to the website to see the requirements and to apply or contact Family Table at familytable@jfcsboston.org or 781-693-5593 or call Bette Shoreman for more information.

Thank you for your continued support.

Shalom,

Bette Shoreman
