Rabbi's Greeting

בְּרֹב־עָם הַדְרַת־מֶלֶךְ

B'rov am hadrat melekh, in the multitude of people is the glory of the king (Proverbs 14:28). This captures the Jewish concept that when more Jews (and those Jewish adjacent, i.e. part of a Jewish family) are present together in a single place, the more God's honor is increased.

The High Holy Days are our days to be present together. Particularly in this time of increased Jew hatred, let us gather as a multitude, bringing glory to God, honor to our traditions, and joy to one another.

Participate in-person or online. Invite friends and family (call Cheryl Schwartz for registration). Our togetherness is not only our strength, but also a source of spiritual uplift. Each person's presence elevates the High Holy Day experience for everyone else.

In this new year may you and your family be blessed with health and happiness, love and laughter.

L'Shanah Tovah,
Rabbi Michael

One thing, one thing, I ask you Adonai... to be with you all of my life

During Elul we pray Psalm 27 every day, and here at Shirat Hayam the version we sing is by Chava Mirel which includes these English lyrics above. I remember hearing an audible gasp when she visited our congregation in 2024 and said that she wrote this beautiful melody!

In our Shabbat Renewal services as Rabbi Michael so deftly connects the prayers to our everyday lives, he has asked us what is one thing we ask when we sing this prayer? What are we yearning for today, right now? Whether it is spiritual fulfillment, career advancement, or simply (yet not so simply attained) peace on earth—all of these can be prayed for as we go into this High Holy Day season.

As a busy mom of now four children, I know how difficult prioritizing one thing can be. I also know how important goal setting is in all areas of life, and as you go into this "back to shul" season of the year, don't forget your spiritual goals. What is one thing you can do to elevate your life spiritually this Elul? This new year? Set that as your one thing when we pray this together at Shirat Hayam in one community.

L'Shanah Tovah,
Cantor Sarah

President's Greeting

As we prepare to welcome the High Holy Days, I find myself reflecting on what an extraordinary year it has been for Congregation Shirat Hayam. Entering my second year as President, I am filled with gratitude for this community and optimistic about all that lies ahead.

Last year, we began the exciting work of putting our Strategic Plan into action. It has been inspiring to see that vision come to life. One of our greatest accomplishments has been the successful first year of our Center for Jewish Experience under the leadership of our new director (Josh Troderman). The energy in our classrooms is unmistakable. Our children are engaged, excited to learn, and building meaningful connections to Judaism, and that is one of the strongest investments we can make in our future.

We have also continued to strengthen our congregation through new engagement initiatives. Whether through learning, worship, social events, music, or opportunities to serve, we have worked to create meaningful experiences for every stage of life. Watching new friendships form, seeing familiar faces reconnect, and welcoming new members into our community has been deeply rewarding.

This year also brought an experience I never anticipated as President. For the first time, I witnessed an act of hatred directed at my own community. One that affected people I know and love. It was heartbreaking. Yet what I remember most is not fear. I remember the compassion we showed one another, the support we received from our neighbors, and the resilience that has always defined the Jewish people. The experience strengthened our resolve to remain vigilant and to continue investing in the safety and security of our congregation while never allowing hatred to diminish who we are.

Serving as your President has been one of the greatest honors of my life. One of the unexpected joys has been the opportunity to share the weekly announcements during services. If I've managed to bring a smile, a laugh, or simply brighten your Shabbat, then I consider that a success. Joy is sacred, and in a world that often feels heavy, celebrating together has become one of my favorite traditions.

As I look toward the coming year and the completion of my term, I do so with confidence and hope. We have accomplished much together, but there is still important work ahead. I am excited to continue building on the momentum we've created and to finish this journey as strongly as we began it.

On behalf of my family and the Board of Directors, I wish each of you a sweet, healthy, and peaceful New Year. May this season of reflection renew our spirits, deepen our connections with one another, and inspire us to continue building a vibrant, welcoming, and enduring Congregation Shirat Hayam together.

L'Shanah Tovah.
J.R. Young

Babysitting (ages 3 months – 4 years): Registration is required. A nominal fee helps us provide appropriate staffing. Unfortunately we cannot accommodate older siblings in the babysitting room.

The CSH Family High Holy Day Experience: Each morning begins with a family service followed by Camp Shanah Tovah for students ages 4-12. Children ages 7 and under must attend The Family High Holy Day Experience with at least one parent or caregiver. Parents of children 8 or older are warmly encouraged to participate. See page 9 for more information.

Camp Shanah Tovah: While parents, grandparents and care givers experience the High Holy Days in the main sanctuary, children have the unique opportunity to experience the High Holy Days in ways created just for them. Camp Shanah Tovah blends music, storytelling, creativity, movement, games, friendships, and meaningful Jewish learning into every session, so every child can connect with the spirit of Rosh Hashanah and Yom Kippur.

Madrichim (Ages 13-18): Is your young adult interested in making the High Holy Days meaningful for younger children? A limited number of paid counselor (ages 14+) positions are available on both days of Rosh Hashanah and Yom Kippur morning. Volunteers ages 13-14 are welcome. Yizkor Service

Yizkor [May God remember] is a time set aside to formally include in our thoughts and prayers family and friends who have passed away. Though Yizkor is recited on each of the festivals, on the High Holy Days we may feel a special connection to those who have played a significant role in our life's journey. The themes and somber ambience of the Yom Kippur service make this day especially appropriate for contemplating life and death. Thus, in reciting Yizkor, the veil between the worlds of the living and the dead becomes more transparent, less opaque. May the memory of those we recall be a blessing in our lives. – Mahzor Lev Shalem

The Yizkor service on Yom Kippur is intended to honor and remember parents, relatives, friends and martyrs of our people. Because this service is so inclusive in scope, everyone is encouraged to participate. In addition, we will have a collective remembrance of the martyrs in Jewish history, including individuals who perished in the Holocaust.

We mourn the loss of the following members who have been called to their eternal rest the past year:

Jack Bailen
Edward Bailey
Helaine Cotton
Arnold Dubinsky
Sherman Freedman
Irene Gilberg
Harriett Kaplan
Richard Klayman
Herbert Miller
Gerald Rodman
Louise Sadur
Bery Sanford
Robert Sanford
Ann Segal

Caring for Generations

JF&CS

Jewish Family & Children's Service

Deepen the meaning of your Yom Kippur fast and help those who involuntarily fast. Jewish Family and Children's Service and Family Table ask for your support so they can provide food during the High Holy Day season and year-round to hungry families on the North Shore.

Congregation Shirat Hayam collects food donations year-round (donation box in lobby) and specifically on Kol Nidre. Please consider donating the following healthy, unopened and unexpired items.

Whole wheat/grain crackers Peanut butter

Please step up to Family Table to fight food insecurity on the North Shore. If you are interested in helping with the monthly distribution, which is located at Temple Sinai, please go to their website, https://www.jfcsboston.org/our-services/center-for-basic-needs-assistance/family-table-food-pantry, to see the requirements to apply or contact our CSH Family Table coordinator, Margie Shapiro, 617-281-4771. Thank you for your continued support.

The prophet Isaiah (57:14) commands, *"Clear a road! Remove all obstacles from the road of my people!"*

In every community some households are able to contribute more, and others less. By allowing every member to pledge what they can, to make a voluntary contribution that reflects the value of Shirat Hayam to them, T'rumot HaLev (Gifts of the Heart) enables all to take advantage of our offerings and feel welcome, connected, and enriched.

Shanah Tovah Um'tukah!
Wishing our congregational
family a good and sweet year.
